Sub: Typographical error in the RST Order for FY 2012-13

Sir,

The Commission has passed Retail Supply Tariff Order for CESU, NESCO, WESCO and SOUTHCO for FY 2012-13 in Case No. 93, 94, 95 & 96/2011 on 23.03.2012. There is some typographical error in the said Order which requires correction as follows:

Para 487 (b) line 4

“Energy charge as per actual drawal or 70% load factor of the contract demand per month” should be read as

Energy charge as per actual drawal or 70% load factor of the **maximum demand (other than off-peak hours)** per month

Similarly Annexure-B Para (xi) line 3

“Energy charge as per actual drawal or 70% load factor of the contract demand per month” should be read as

Energy charge as per actual drawal or 70% load factor of the **maximum demand (other than off-peak hours)** per month

This is for your information and necessary action.

Yours sincerely,

**SECRETARY I/c.**
