No.- DIR(RA)-1/2013/358

Dated: 6th June 2013

ADVERTISEMENT

Odisha Electricity Regulatory Commission desires to revisit and revise all the Old Regulations and frame certain new Regulations as per the Electricity Act, 2003. For this purpose the Commission intends to engage Consultants from reputed Organisation. The Consultant shall assist the Commission for revision of old Regulation and framing new Regulations. The Consultant may also be required to make field study and submit report to the Commission. The Consultant should have the following qualification and experience.

- (a) The Consultant should have Engineering/Finance specialisation as educational qualification.
- (b) He must have experience in framing Draft Regulations for any Regulatory Bodies preferably for State / Central Electricity Regulatory Commission.

The engagement would be for a minimum period of three months. The Commission requires the assistance of two Consultants during this period. The Consultant/Consulting Firm interested for this work should submit their EOI to the undersigned mentioning the charges basing on per man day or per month, experience in this field etc. within 22nd of June, 2013. This Advt. is also available in our website www.orierc.org.
