A full set of the Aggregate Revenue Requirement and Bulk Supply Price application for the financial year 2022-23 can also be obtained from the office of the CGM (PP), GRIDCO Head quarters, Bhubaneswar during the office hours on or before **15.01.2022** on payment of the photocopying charges of Rs.100/- only.
8. Suggestions/objections, if any, together with supporting materials may be filed before the Secretary, Odisha Electricity Regulatory Commission, Plot No. 4, Chunokoli, Sailashree Vihar, Chandrasekharpur, Bhubaneswar-751021 in person or through Registered Post including Courier Services only so as to reach him on or before **15.01.2022** positively. A copy of the said suggestions/objections along with relevant documents shall also be served on the undersigned.
- (a) The suggestions/objections should be filed in seven copies and should carry full name and postal address with PIN Code including e-mail ID & contact Telephone Number of the person/ organizations/ institutions sending the suggestions/objections and shall be supported by an affidavit.
  - (b) There shall be clear indication if the suggestions/objections are being filed on behalf of any organization/institution representing any category of consumers. It should also be specifically mentioned, if it is to be heard in person by the Commission.
  - (c) Suggestions/objections received after the date mentioned above or those which will prove deficient on any or more of the above points may not be admitted for hearing. Only those objections/suggestions supported through affidavit will be taken up for hearing.
9. As directed by the Commission, the date of hearing shall be duly published in the newspapers and also communicated to the parties whose objections are admitted.

Dated /12/2021

**MANAGING DIRECTOR  
GRIDCO Ltd.**

- Note:
- i) The above public notice along with the proposed Bulk Supply Price schedule is also available in GRIDCO's website **www.gridco.co.in** as well as the Commission's website **www.orierc.org**.
  - ii) In case of any ambiguity in the notice published in Odia language, the notice published in English language may be referred for authenticity.

## **Proposed Bulk Supply Price Schedule of GRIDCO for carrying out Bulk Supply Activity for the FY 2022-23**

### **Bulk Supply Price:**

This Bulk Supply Price is applicable for supply of power to Distribution and Retail Supply Licensees (DISCOM Utilities) in the State. The total charges shall be calculated by summation of following charges stated in Para (A) to (F) below as applicable:

- A. **Energy Charge:** GRIDCO proposes to recover its net Revenue Requirement of Rs.10,945.36 Crore through Energy Charge only from the DISCOM Utilities towards sale of 28414 MU. The average BSP is proposed @ 385.21 P/U only for recovery of above proposed net Revenue Requirement.
- B. **Demand Charge:** Demand Charge @ Rs.250 KVA/Month is proposed to be levied from DISCOM Utilities on the excess SMD only when the actual SMD of DISCOM Utilities in a month exceeds the permitted monthly SMD (110% of the approved SMD), to take care of monthly variations subject to year-end adjustment within the permitted annual SMD i.e.110% of the approved annual SMD.
- C. **Over Drawal and Year End Charges:**  
The Over Drawal and Year End Charges payable by DISCOM Utilities are presently billed at the corresponding OERC approved applicable BSP in terms of the Judgment dated 07.05.2018 of the APTEL passed in Appeal No.55 of 2015, till intra-State DSM Regulations is pronounced by OERC and implemented in the State. GRIDCO proposes that any excess drawal of energy by a DISCOM Utility during a month over and above the approved energy quantum (Approved MU for FY 2022-23 X No. of days of the relevant month / 365 days) would be payable on provisional basis at the highest OERC approved Power Purchases Rate fixed for a Station for FY 2022-23 (which includes transmission charges and transmission loss) on monthly basis instead of the normal differential BSP applicable to the respective DISCOM Utilities, subject to final Year End Adjustment (YEA) considering the highest Power Purchases rate/ cost including the rate/s of energy drawn through U.I./deviation settlement of the month plus transmission charges and transmission loss.
- D) **Fuel Price Adjustment :**  
Fuel Price Adjustment (FPA) mechanism needs to ensure timely recovery of changes on account of fuel cost which is an uncontrollable expense. Ex-post facto approval is provided on quarterly basis by MERC, Maharashtra allowing monthly adjustment of tariff to account for FPA. Some other States also determine the fuel price adjustment on quarterly basis. In Gujarat, FPA upto 10 paise/unit is allowed to be levied without any prior approval of GERC. GRIDCO requests the Commission to provide a mechanism for monthly or quarterly determination of

FPA component which can be recovered through tariff as per the practices followed in other States.

**E) Rebate:**

At present, GRIDCO is raising the BSP bill for a particular month during the 1st week of the subsequent month. The due date for payment of retail supply bill by different category of consumers to DISCOM Utilities is presently kept at seven days and rebate is allowed for payment made by the consumer within three working days. As such, DISCOMs are collecting the revenue from different category of consumers by end of the month of billing itself. In view of above, the BSP bill of GRIDCO needs to be settled by the end of the month of billing itself. Hence, due date of bill may be kept at 25 days from the date of presentation of bill.

GRIDCO states that the maximum rebate to be allowed to DISCOMs needs to be in line with the maximum rebate allowed to GRIDCO by the Generators under prevailing CERC / OERC Terms & Conditions of Tariff Regulations. Accordingly, GRIDCO proposes the following graded rebate for payment of BSP dues by the DISCOM Utilities:

- a. For crediting the BSP bill of the DISCOM to GRIDCO's designated current bank account through Letter of Credit on presentation or through NEFT/RTGS within a period of five (5) working days, a rebate of 1.5 % shall be allowed.
- b. Where the amount is credited on any day after five (5) working days and within a period of twenty five (25) days of presentation of bill, a rebate of 1.00% shall be allowed.
- c. The DISCOMs may pay their BSP dues in staggered manner under different rebate option, but for eligibility of rebate, total current BSP dues needs to be settled by the DISCOM within 25th day of presentation of BSP bill.

**F) Delayed Payment Surcharge:**

For delayed payment of Bulk Power Supply Bills i.e., payment after the periods of 30 days from the date of submission of bills, the surcharge is to be levied @ 1.50% per month.

**G) Duty and Taxes:**

The Electricity Duty levied by the Government of Odisha and any other statutory levy/ Duty/ Tax/ Cess / Toll etc. imposed under any law from time to time shall be charged over and above the Bulk Supply Price.
