Proposed Bulk Supply Price Schedule of GRIDCO for carrying out Bulk Supply Activity for 2011-12

1. Bulk Supply Price:

This Bulk Supply Price is applicable for supply of power to Distribution and Retail Supply Licensees. The total charges shall be calculated by summation of following charges stated in Para (a) to (g) below as applicable:

- a) **Energy Charge:** GRIDCO proposes to recover the entire Annual Revenue Requirement through Energy Charge @ **290.26** P/U only.
- b) **Demand Charge :** Demand Charge @Rs.200/KVA/Month would be levied from DISCOMs only when the actual SMD of DISCOMs in a month exceeds the permitted monthly SMD (110% of the approved SMD), to take care of monthly variations subject to year end adjustment within the permitted annual SMD i.e. 110% of the approved annual SMD.
- c) **Over Drawal and Year End Charges:**

The Over Drawal and Year End Charges payable by DISCOMs are presently billed on month-to-month basis as per the Orders of the Commission, but the same remain unpaid by the DISCOMs. GRIDCO proposes that any excess drawal of energy by a Distribution and Retail Supply License (DISCOMs) during a **month** over and above the approved energy quantum (**Approved MU for FY 2011-12 X No. of days of the relevant month / 365 days**) would be payable on provisional basis at the highest OERC approved Power Purchases Rate fixed for a Station for FY 2011-12 (which includes transmission charges and transmission loss) on monthly basis instead of the normal differential BSP applicable to the respective DISCOMs subject to final Year End Adjustment (YEA) considering the highest Power Purchases rate/ cost including the rate/s of energy drawn through U.I. Route of the month plus transmission charges and transmission loss.
- d) **Fuel Price Adjustment (FPA):**

Any excess payment made by GRIDCO towards FPA for a particular / relevant month will be levied on DISCOMs in the succeeding month in proportion to their actual drawl during the preceding month along with the BSP bills if the Fuel Surcharge Price of the particular month paid by GRIDCO exceeds by more than 5% of the approved Average Bulk Supply Price subject to maximum of 25% of the approved Average Bulk Supply Price which will be passed on to consumers in the same month along with their normal energy bills served to the consumers at a rate

which will be arrived at by considering their approved monthly sale quantum to the consumers (approved quantum for the financial year/12 months).

e) **Rebate:**

On payment of the monthly bill, the Retail and Distribution licensees shall be entitled to:

- A rebate of 2% will be allowed in case DISCOMs make the full payment against monthly energy bill including over drawal & FPA charges by remitting funds to the account of GRIDCO in Union Bank, Main Branch, Bhubaneswar, within two working days (except holidays under NI Act) of submission of the bill by GRIDCO.
- In case DISCOMs make payment for the full bill amount including over drawal and FPA charges through LC or upfront on any day within a period of 30 days of the presentation of the bill, a rebate of 1% shall be allowed.
- The DISCOMs will be entitled to the rebate of 1% as mentioned above provided the L.C. is established in favour of GRIDCO as per the terms and conditions of the Escrow Agreement entered between GRIDCO and the DISCOMs.

f) **Delayed Payment Surcharge:**

The monthly charges as calculated above together with other charges and surcharge on account of delayed payments, if any, shall be payable within 30 days from the date of bill. If payment is not made within the said period of 30 days, delayed payment surcharge at the rate of 1.25% (One point two five percent) per month shall be levied pro-rata for the period of delay from the due date, i.e. from the 31st day of the bill, on the amount remaining unpaid (excluding arrears on account of delayed payment surcharge).

g) **Duty and Taxes:**

The Electricity Duty levied by the Government of Orissa and any other Statutory levy/ Duty/ Tax/ Cess / Toll etc. imposed under any law from time to time shall be charged over and above the Bulk Supply Price.
